FINAL NOTE BY THE THIRD MEMBER OF COUNCIL.

.....

SUBJECT. - Appointment of 4 Assistant Superintendents of Police.

.....

Flag I.

31) In the Government order dated the 4th October 1919, the appointment of four Assistant Superintendents of Police on Rs.200 per mensem for the charge of the marginally noted places was sanctioned, the posts of four Inspectors of the 1st and 2nd classes on Rs.200 and Rs.175 respectively being abolished and an equal number added to the lower grades on Rs.60, 70 and 80. The Inspector General of Police who was asked to submit proposals in the matter, proposed the under-mentioned arrangements -

Bangalore City.
Chickballapur Sub Division.
Davangere Sub Division.
Sagar Sub Division.

(1) That the marginally noted Inspectors who are now acting as Superintendents of Police may be appointed as Assistant Superintendents of Police permanent, without prejudice to their present acting appointments and that, in their places, Messrs: Abdul Ghani, Natataja Iyer and Dunning who are now acting as Assistant Superintendents of Police in connection with Food Control work may be appointed as Assistant Superintendents under the new scheme; and

Mr.L.F.O'Doherty
Mr.A.Shama Rao
Mr.C.Santaveerappa.

(2) That the 4th appointment of Assistant Superintendent may be given to Mr.Sirajuddin Mahamed.

He has also proposed that -

(3) As with the appointment of an Assistant Superintendent of Police, Bangalore City, there will be no necessity for a Chief Inspector also for the place, the number of

Inspectors proposed to be added in the lower classes in the Government order of 4th October 1919 may be reduced from 4 to 3; and

(4) that an establishment of two clerks - one on Rs.30 and the other on Rs.25 per mensem - as also a monthly contingent allowance of Rs.10 may be sanctioned for each of the offices of the Assistant Superintendents.

2. The matter was considered in Council at the meeting held on the 18th December 1919 and the Council are of opinion that the under-mentioned officers may be appointed to the 4 permanent places of Assistant Superintendents of Police -

1. Mr.L.F.O'Doherty, Inspector on Rs.200, acting as Superintendent of Police.
2. Mr.A.Shama Rao, -do- -do-
3. Mr.C.Santaveerappa, Inspector on Rs.175, acting as Superintendent of Police.
4. Mr.Abdul Ghani, Inspector on Rs.150 acting as Assistant Superintendent of Police (temporary) in connection with food control arrangements.

During the employment of the first three of the above named officers on other duty, as Superintendents of Police, it is proposed to appoint the undermentioned officers to act as Assistant Superintendents of Police -

1. Mr.A.S.Nataraja Iyer
2. Mr.J.E.Dunning,
3. Mr.Sirajuddin Mahamed.

The above arrangements involve the supersession of Messrs: Morris, Searle, S.V.Hanumantha Row, Bhujanga Rao and Tacqui Khan. These officers are proposed to be passed over for reasons given by the Inspector General of Police in his letter dated the 18th October 1919.

3 In this connection, the Council are also of opinion that

that the Assistant Superintendent of Police, Mysore City, may also be placed on the same footing and treated in the same way as the other Assistant Superintendents, the total number of Assistant Superintendents being raised from 4 to 5; but that, as the present Assistant Superintendent of Police, Mysore City, Mr.Everard, has already been given a pay of Rs.250 with the rank and status of an Assistant Commissioner, he may be allowed to retain his present pay and status as personal to him.

34) 4. The Council have further resolved that, as the appointment of Inspectors on Rs.175 has been abolished, Mr.Morris who is now drawing Rs.175 may be treated as an Inspector on Rs.150 with a personal allowance of Rs.25, that the number of additional Inspectors sanctioned in the Government order of 4th October 1919 may, as proposed by the Inspector General, be reduced by one on Rs.70; and that the establishment recommended by the Inspector General for each of the Assistant Superintendents, may be sanctioned after taking into account the savings on account of the establishment now maintained in the office of the City Inspector of Police, Bangalore City.

35) 5. The Financial Secretary to whom the resolution of the Council was forwarded for opinion, has noted that he has no remarks to offer thereon.

para 270 Rule No 3

36) 6. The recommendations of the Council may be graciously approved.

Dear Mr. Balasundaram Iyer,

Referring to correspondence ending with your D.O. letter No. G. 17324, dated the 27th Jan. 20, I am to say that in a City like Mysore, which is growing in importance day after day, it is absolutely necessary to have a Police officer, who is smart in detective work, prevention of crime and in the regulation of traffic and to request you to kindly let me know whether Mr. Siraguddin, who was recently appointed Asst-Supdt. and who was for sometime Chief Police here, would not be better fitted for the

With reference to the Dewan's order as p 18, the Private Secy to His Highness was written to regarding the transfer of Mr Evenard from Mysore city & the posting of another officer in his place. The reply received from Mr Thumboochetty in the matter is put up. It will be seen that he suggests the posting of Mr Serajuddin to Mysore city. If this is approved, Mr Dunning may be posted to Bangalore city.

As an alternative arrangement I may suggest that Mr Abdul Samad (now at Davangere) may be posted to Mysore as he is an experienced & capable officer & will do well for Mysore. If this meets with approval, Mr Dunning may take his place at Davangere.

My dear sir,

I am desired by the Dewan to submit for your perusal, the file relating to the transfer of Mr. Dunning, Assistant Superintendent of Police, to Mysore City. I am to state that it is desirable to transfer Mr. Everard from Mysore City and that action in this respect was not taken before now, in view of the Viceregal Visit. In case Mr. Dunning is not acceptable at Mysore, the Dewan would suggest that Mr. Abdul Ghani might be given a trial here. I am to state that, as Mr. Sirajuddin has already been in Mysore, one of the two officers mentioned above may be selected for work in Mysore City.

The favour of an early reply is requested.

Chief Secretary to the Government

of His Highness the Maharaja of Mysore.

Sir,

I

With reference to Government Proceedings No.G.202-211 Police 163-18-2 dated the 4th instant, abolishing the grades of Inspectors on Rs.200 and Rs.175 and sanctioning the appointments of four Assistant Superintendents of Police, instead, I have the honor to state that of the four Inspectors in the grades abolished, three viz Messrs L. E. O'Doherty, R. Shama Rao and G. Santaveerappa are already acting as Superintendents of Police, and they may therefore be appointed as Assistant Superintendents of Police, permanent, and continued to act as Superintendents of Police,

2. The matter of appointing acting Assistant Superintendents of Police in their places is also not difficult, as two Inspectors, viz Messrs B. Abdul Gani and R. S. Natarajiar have already been appointed Assistant Superintendents of Police for food control work, and one Inspector Mr. J. E. Dunning had also been appointed to act (Vide Government Notification No. G.22973-Police 161-18-2 dated 9th April 1919). I have no hesitation in recommending the appointments of these officers as acting Assistant Superintendents of Police.

3. There is still a fourth place to be filled up and of those who can with reason aspire for it, I know the work of Mr. Sirajuddin Mahomed and can confidently recommend him. There are six Inspectors senior to him and though I very much regret I

Proposals for the appointment of Asst. Superintendents of Police.

P.C. 24-10-19

Pur 110

am not acquainted with the work of most of them, there seems to be grounds to think that they do not deserve to be appointed Assistant Superintendents of Police. The claims of Inspectors Messrs G. Norris and S. N. Hanumantha Rao have already been passed over when their juniors Messrs Abdul Gani and others were appointed. Mr. Norris will continue as Inspector in the 150 Rs class, on his present pay of Rs.175 (Rs.150+25 personal allowance) Mr. Hanumantha Rao was tried as Amildar and reverted. Similarly the claims of Messrs Mahomed Tacqui Khan and P. Bhujanga Rao were deliberately passed over by my predecessor in recommending promotions to the 150 Rs grade (vide letter No.C 322 dated the 22nd April 1919). Mr. H. G. Searle is on foreign service and Mr. M. Mellor has quite recently come back from leave.

4. In place of the four Assistant Superintendents of Police four appointments of Inspectors, one on Rs.80/- two on Rs.70 and one on Rs.60 are sanctioned; but only three Inspectors are required, as with the appointment of an Assistant Superintendent for Bangalore City, there will be no necessity for a Chief Inspector also. So, one Inspector on Rs.80/-, one on Rs.70/- and one on Rs.60/- would be enough. The savings effected hereby might be used for giving an office establishment to the Assistant Superintendents of Police which matter does not appear to have received consideration till now.

5. The following establishment in my view appears necessary for the Assistant Superintendents' offices.

		Rs
4 clerks on Rs.30/- each, at one for each of the A.S.P's offices		120
4 do	at one on Rs.25	100
Contingencies at Rs.10/- per office.		40/-
	Rs.	260/- per mensem

4 Police orderlies for each office should be enough and I would give them from the District Reserves, for the present, without any additional cost. As regards office accommodation, the

Assistant Superintendent of Police at Davangere has hired a building at a rent of Rs.8/- a month, as no Government building is available there. If no Government building should be available at Sagar and Chickballapur, rent will have to be paid for private buildings. Rs.25/- a month might be required as rent for these offices. In Bangalore City, the Chief Inspector's office might be used.

6. The money required for establishment &c will as shown ~~below~~ above be Rs.285/- a month and towards this a saving of Rs.70 only has been pointed out above. In granting promotions to Inspectors to fill up the vacancies in the 150 Rs grade a place on Rs.125/- might for the present be absorbed. This need not cause any hardship as in Government order No.18767-8/Police 121-18-3 dated the 27th February 1919 a temporary Inspector in this grade has been sanctioned.

7. Whichever Inspector is appointed as the fourth Assistant Superintendent of Police, for the vacancy on Rs.150/-, Mr. K Mahomed Hussein will be the first claimant. He is already getting Rs.200/- inthe Kolar Gold Fields Detective Department. He may be promoted to the 150 Rs grade, and seconded, and his place on Rs.150/- given to Mr. J. F. Anderson, who has recently been recommended for confirmation in the 125 Rs. grade in which he has been ~~acting~~ for over a year. I would then propose the reduction of the strength of the permanent Inspectors on Rs.125/- from 5 to 4, for some time to come.

8. Mr. B. Abdul Gani might be posted to Davangere, where he is now working, and Mr. R. S. Natarajier to Chickballapur. He might continue at Santemarahalli till the Food control operations are over and then go to Chickballapur. Mr. J. E. Dunning might be posted to Sagar and the fourth officer appointed by Government to Bangalore City. The favour of very early orders is requested so that the Assistant Superintendents of Sagar and Bangalore City might join duty before the Viceregal Visit.

9. A Memorial received from Mr.W. Wright, who was once in the Police Department, praying for an Assistant Superintendent's place is enclosed for the orders of Government. I am not prepared to admit the claims of anybody who has left the Department. Another Memorial from Probationer Mr. K.Abdul Khader Khan, B.A., praying for promotion is also enclosed. I do not propose to pass over the claims of the senior and experienced officers. Mr. Dunning's Memorial urging that he is senior to Mr. Mellor is also submitted.

I have the honor to be,

Sir,

I hear that four appointments of Assistant Superintendents of Police are to be created in your Honor's Department. In this connection I beg to sub -mit that in case the appointments are permanent, I beg that my claims for one of the appointments may kindly be considered.

2. I have served in the Police Department from 1892 till my transfer as Chief Jailor in the Jail Department in August 1916, with the exception of three years when I served in South Africa in the Boer - Campaign for which I have decorations and bars and afterwards as Superintendent of Reefugee Camps Bloem fontein, Registrar of Military Compensation Board and Ex-burrgher Claims Orange River Colony, South Africa.

3. As a Police Inspector I have been in charge of several of the most important Taluks in the Province including Bowringpet, Manjarabad, Koppa and Chitaldrug.

4. For the full period that I was in charge of

the

the Chitaldrug Taluk, there was not even a single dacoity in the Taluk or even a house breaking by night in Chitaldrug town, an unprecedented record, where formerly and since dacoities have taken place by day.

5. I was also the Police Inspector of Railways - Bangalore Nanjangood Section for nearly three years.

6. From the Police Records it can be seen that the majority of important cases in the Taluks in which I worked have been detected.

7. In addition to my Police duties I have been the Chief Jailor of the Bangalore Central Jail for nearly three years and I believe I have rendered thorough satisfaction in the discharge of my duties. These duties are more onerous and arduous than those of any Police Inspector or Amildar. This experience has brought me in close contact with criminals and their methods and I have come to know personally about ¾ of the Habitual Criminals of the Mysore Province which knowledge is a great asset to a Police Officer.

8. Copies of testimonials are submitted herewith for your kind perusal.

9. In regard to my character and ability I depend solely on the opinions and support of the Officers of the Departments under whom I have served and who know me thoroughly. The recommendation made by the Inspector General of Police, C. Sreekanteswara Iyer., Esqr., B. A., B. L., on my application for my present appointment may also be kindly perused.

10. I therefore beg that in consideration of my

services

services both in the Police and Jail Departments and my experience in the appointments I have held in South Africa and my seniority in the Police service, my claims may kindly meet with your honor's favourable approval and one of the appointments may kindly be conferred on me.

For which act of kindness I shall ever be thankful to you.

Mr. Wright has been employed for a considerable period by the Government of the O. R. C. as Assistant Registrar to the Jacobsdal Claims Commission. During that time I always found him a thorough honest and reliable official and have much pleasure in recommending him to kindred institutions.

Mr. Wright has worked seven or eight weeks in my office, while I was Superintendent of the Refugee Camp, Bloemfontein. Before leaving S. Africa and severing my connection with these camps, I should like to put on record that during the above period I have found Mr. Wright to be a very painstaking, hard-working official. There has been a good deal of extra office work since peace was declared, but Mr. Wright was always most willing to do his share when called upon. I should be glad to think that on the breaking up of the Camps Mr. Wright has been able to obtain work of a more permanent character.

Means' appln

To

The Inspector General of Police

in Mysore,

Bangalore.

Respected Sir,

The humble application of Police Probationer K.Abdul --- Khadar Khan is respectfully submitted with a prayer for kind and - favourable consideration.

He is a graduate of the Madras University and has also - Passed the Criminal Higher Examination. He took-up service in the Police Department as an Inspector on Rs 40/- in July 1911, and was an Inspector in the Taluks of Hiriyur, Chitaldroog and Malaval and in all these places, his work, he submits with confidence, was honest and to the satisfaction of the different Superintendents -- whom he had to serve. The University Qualification and the --- good work he did, contributed towards his being appointed as a --- Police Probationer on Rs 75/- when nominations of probationers to the several branches of Government were made in November 1917. In March 1918 he was drafted to the Office of the Inspector General of Police, Bangalore, and in the following May and September he -- was sent out on Prosecution Work to French Rocks and Hassan respec -ively. Now he is under orders of transfer to T.Narsipur Taluk. As a probationer, he has acquitted himself in the different ------ capacities to the complete satisfaction of his superiors.

According to Government Order No. G. 9060-9102-G.M.401-16-1, dated the 2nd January 1917, regarding the selection of ----- Probationers to the Gazetted and Upper subordinate ranks of the -- Public Service he is to be made an Inspector on a pay of not less than Rs 100/- after a probation of two years in November 1919, but at the time of its publication the Government had in view the old scheme which was then in force, and a probationer after two years would then have been an Inspector of a status of not lower than the

second

second grade. The introduction of the reorganisation scheme has now altered the situation and a probationer under the same --- conditions would only be an Inspector of the 5th rank. It is a matter for kind consideration that while the probationers of equal status in other branches have bright prospects and better status, those in the Police Force have to suffer if the benefits of the -- reorganisation scale are not extended to them.

The fact that he has worked conscientiously and honestly in the Police Force for over eight years, that he belongs to the back-ward community of Mahamadans and is fully qualified to aspire for a higher post and the reasons noted above have all induced him to approach you for the post of an Assistant Superintendent of --- Police and he respectfully prays for the condescension of your --- kind favour in conferring upon him the place as aspired for. He may kindly be allowed to submit here that he is the senior of the three existing Probationers.

Before concluding he begs to be excused for stating that he belongs to one of the old and respectable families that migrated into Mysore from Bijapur during the reign of Hyder Ali Khan & Tippoo Sultan under whom his ancestors held high positions. The loss of credentials by his Grand Father in the usual vicissitudes of fortune oblige him to be silent on this point. That his --- Great Grand Father Mahammad Khiyamuddin Khan after his service -- under Tippoo Sultan was recognised and favoured with the post of commandant of Duam (11) Barr Katchery by the Famous Minister ---- Purniah may still be borne out from old records.

In conclusion he prays the Almighty God to shower upon you his choicest blessings and to bless you with long life and -- prosperity and

Memo No.452 dated 4/5th November from the Superintendent of Police, Kolar Gold Fields, to the Inspector General of Police in Mysore.

In forwarding herewith a petition from Mr. H. Mellor for very favourable consideration and orders, I beg to point out that a perusal of the enclosures to his petition clearly shows that this officer is senior to the four whose names have been mentioned in this connection and there are no reasons that I am aware of which can fairly be brought forward for superceding him in any higher appointment that may offer.

I have personally seen his work for years as a Divisional Inspector on the Kolar Gold Field and it has been turned out to the satisfaction of everyone and it cannot be said that two of the offi cers at least mentioned above who are personally known to me and have worked on the Kolar Gold Field while I have been Superintendent, have any superior qualifications to entitle them to step over the head of a senior deserving officer who has been looking forward to getting some encouragement for years past.

A third of the above mentioned officers also worked under me but only for a short period.

This is a case that requires special consideration and I trust the Inspector General of Police will see that the applicant does not suffer.

Sir,

In continuation of my letter No.C/1301-19-20 of 2nd November/19 forwarding for orders Mr. Norris's representation for promotion, I have the honor to enclose his reminder and to state that I would not have again addressed Government in the matter, if some new facts had not come to my notice.

2 Mr. D.A. Ballard retired District Superintendent of Police in the course of a letter to me, about the MAHARAJA'S POLICE MEDAL has referred to the good work done by Police Officers in connection with the rioting in Ganjam in 1898-99.

3 In regard to Mr. Norris he says this "Inspector Norris was called from Bangalore with his party of Special Reserve, and deputed not only to guard Ganjam, against any combined attack by the villagers while the arrest of the ring-leaders was proceeding, but also to guard them against rescue when they were taken and lodged in the out houses of the Jamabandi, travellers Bungalow, at which place many attempts were made. Later under instructions from the Inspector General of Police, Inspector Norris was directed to proceed to Bangalore escorting those who were arrested in the day's rioting as ring-leaders, and hand them over to the Central Jail authorities, who were advised of their despatch. They were quite a large number and a Special train arranged by the Plague --

Plague Commissioner was necessary. Their deportation was necessary to allay public feeling; Some doubts were entertained as to whether the deportees could be got through safely, since the greater number were not hand-cuffed for want of these, but the show of force and Inspector Norris arrangements were so satisfactory, that their arrival next morning at Bangalore eased all anxiety".

4 He has referred to Mr. Sirajuddin Mohamed also as noted below:-

"Station House Officer Sirajuddin at the time in charge of one of the mohallas of the Mysore City and now Inspector of Police Bangalore City was deputed with a party of Special Reserve aided by a party of silladars and Lancers to guard the bridge on the Mysore side, and, to take all measures short of taking life against the mob, gathered on the bridge, making their entrance into the prescribed area impossible.

This Officer carried out the orders given so successfully that it enabled the Imperial Service Lancers and Inspector Sirdar Singh of the Mysore Reserve Police to keep the more unruly mob on the Wellesly Bridge at bay.

Station House Officer Sirajuddin was rather seriously hurt with the club end of the musket, which he had held, being plied on his head by one of the crowd who had come to close quarters with him who was arrested later and the musket fished out of the Cauvery into which it was thrown when it came to an hand to hand struggle".

5 I have also to bring to the notice of Government the good work done by Mr. Sirajuddin Mohamed in connection with the Peace celebrations in Bangalore City; and to add that both these Inspectors seem to deserve to be appointed as Assistant Superintendents of Police.

I have the honor to be,
